

Welcome to the Internal League for October – December 2018!

Please note: If you cannot play **you must arrange a sub** and then confirm it with your captain. Subs should be taken in the first instance from the reserves list. If nobody is available then a member of another team at the same level can play – perhaps a player who is sharing a position. If you have any problems during the league the first point of contact is your team captain – but if necessary you can contact either Greer Douglas (07713 402551) or Richard Cairns (07885 550857). **Please note the organisers should only be contacted if absolutely necessary, otherwise please contact one of your team captains.**

IMPORTANT: Reserves can only play at the level listed below or higher – but cannot play any lower than listed. If you are asking a player who is not currently listed as a reserve you must check with the league organisers what level the person you’re asking is eligible to play for. **Otherwise points may be discounted.**

HOW IT WORKS

- Players should be available to go on court at the scheduled start time. There will be a short warm up period. Matches will consist of as many games as can be played until the scheduled completion time, when the results will be taken. Only completed games will count. Sets do not apply. Normal deuce. The results will be converted to points as follows: 4 points for the winning team; the losing team will receive 3 points for losing by 1 game, 2 points for losing by 2 games, 1 point for losing by 3 games and 0 points for losing by 4 or more games. In the event of a draw both teams receive 3 points. Teams who are not all present on court or ready to play at the end of the allotted warm up time will start 1-0 down and lose further games for each subsequent delay of 5 minutes. A similar principle will apply where teams withdraw early.
- After your match it is the responsibility of all players to make sure that the balls are brought back to the desk and make sure you give in your score
- **Internal League players may NOT book an individual court on Thursday evenings while the league is running**
- **The standings and results of the league will be updated weekly and will be available on the website**

CAPTAINS

- Each of the team captains should confirm with the men / ladies on their team at least 48 hours in advance each week that they intend to play or that they have arranged a sub
- **Captains are NOT responsible for finding subs when needed – that is each players’ own responsibility!**

As well as prizes for the 1st and 2nd team at the end of the league there will be prizes for the most successful pairing at each level – 1, 2, 3 & 4.

We hope you really enjoy the league – particularly if this is your first time taking part. Good luck to everyone! Don’t forget to keep an eye on the current league standings each week on the website!
